Re: Jericho Historical Center
West Dennis, Mass.

Dear Mr. Beatty:

At the suggestion of Bill Owens we are writing to request permission to use certain beautiful pictures he took of Jericho House in our new revised brochure. Full credit will be given to him and your publications. We would appreciate your indicating exactly the wording to be used under the pictures. A copy of our current brochure is enclosed.

It is our understanding that an article including Jericho House will probably appear in the summer edition of Colonial Homes. If any additional information to what was already given to Bill Owens is desired, please do not hesitate to ask.

Thank you for your courtesy and cooperation in this matter.

Very truly yours,

Parmelee H. Fitch
