Mrs. Browell

Dear Sir,

I am lecturing upon the subject of Spiritualism on the Cape, as an entrance medium and have spoken in most of the towns upon the Cape. Having heard of you as being somewhat interested in the subject, and on my return back from the lower part of the Cape, would like to speak at East Dennis, therefore take the liberty to address you. I am to speak at Barnwell on Sunday Dec 12th, and at North Dennis Thursday eve Dec 16th, and would like to speak at your place Wednesday eve Dec 15th. If there is a house to be had
without expense I will go in
and speak and take the con-
tributions of the people for my
services, or if you think prefer-
able, an admission fee of 10 cents
may be charged at the door, especially
if there is much expense to
be covered. This I will leave
for your consideration, will
you please answer as early as
convenient in regard to this,
and I will then if you think
best, forward you some bills
by mail, in reason to give
good notice of the lecture.

 Yours truly,
Geo. Atkinson
