

[1866-04-11; a 3-page printed "National Testimonial to William Lloyd Garrison," the editor who established *The Liberator* in 1831. Was sent to Prince S. Crowell with the following note on the third page:]

Dear friend Crowell,

I think you will be glad to aid this work. Can you help at all in presenting the case to the E.D. people, obtaining such collections as they may be willing to contribute, & reporting the same to me? Please let me hear from you, at an early day,

Truly Yours
