OFFICE OF
Cape Cod Railroad Co.
Hyannis, Mass., Aug. 6, 1870

Dear Sir:

Gentlemen:

I am glad you are getting the Brandt to

You. Mrs. Hale. I'm sure the new car

with all the fixtures, etc. It caused some

emphasis from John.

I hope it is enduring these at the

time from our concern with coming

dinner, so that I can hardly find

time to give the subject a thought.

Seemed like, very much to take

a trip to Vineyard, and see what we can learn there, but

I don't know during summer. C. Meeting

that line must be constructed soon

and it may be done in three for next

C. Meeting. It wants to be done judi-

ciously, prudently, and we will not

prejudice the interests of Corn. I'd
In order we get any C. to assist & will endeavor to co-operate with you in this matter.

Dear Sir.

Yours of the 5th inst. is rec’d.

Am glad you are getting the travel to & from Woods Hole. I’ve no doubt but with R R’d facilities it could soon be augmented four fold.

I regret exceedingly that at this time I am unab[---]d with cares & business, so that I can hardly find time to give the subject a thought. I would very much like to take a trip to Vineyard with you & see what we can learn there, but I can’t leave during Barns’s C. Meeting.

That line must be constructed soon and it may be done in Season for next C. Meeting. It wants to be done judiciously, prudently and so as not to prejudice the interests of Cc RR’d. [over page]

Soon as we get over C. Meeting I will endeavour to co-operate with you in this matter.

Yrs resp’y
