Capt. P. S. Corrall

Dr. Sir

Did not receive your letter written from the Bank until tomorrow evening. And the other this A.M. Have enclosed a pass for Mr. Sears and wish him to come on Monday morning train. I will meet him on the way to C. Names.

Don't you think that Mr. Cyrus Bohn would be a good person to give in his opinion. If so I will write him to join us.

Yours Truly,

C. H. NYE

P.S. Should you write me, please send the letter by the common instead of mail as I get them ten to six hours earlier.

Also recollect that I have a pass for telegraph messages should you wish to telegraph me.
