Capt. R. Crowell

Dear Sir,

I telegraphed you that Mr. Ames died at 11 A.M. today—

The Directors have thought best it would be best to run an extra train from Boston to So. Easton and return to convey themselves and such friends as may be invited, to the funeral.

Flowers in such form as may be thought best will be provided in behalf of the Directors.

If convenient for you to attend I suppose you will come up on the first train Monday night, reaching here about 10 1/2 A.M. and go on the special train to So. Easton or you could stop at So. Braintree and take it there.

Yours truly,

Olson Stearns
