

Saturday December the 18th 1816

this is to inform you that I am
well and all the family as usual
and hope that these few lines
will find you and all your family
well I wish you would write to
me and let me know what you
are willing to do about that business
of aunt Stones which I was down to
your house about her sisters think
it is very hard that they cant have
some of the property which she left
I wish you would likewise write and
let me know what you are willing to
allow me for my trouble the first time
I was four days and the last time I came
down I was ten days

So I remain your friend Stephen Benson
