Dear Mr. Payne,

In the July 30th issue of the Enterprise I noticed your query about Judah Sears of Dennis. I had hoped I might be able to find out a bit about his building enterprise but no luck. I could only discover his descendants.

Anywhere in your delving have you happened across any information about Susannah ~~Jay~~ Smith of Chatham who married James Taylor of Chatham in 1787, I think.

They apparently lived in Chatham until 1832 when they moved to Dennis to be near their only child, Elizabeth Taylor, who had married Lotthrop Howes. I am interested in finding out who Susannah Smith's parents were. Also if she had any relative Elijah Smith. The names of Elizabeth Taylor and Elijah Smith have been handed down in my family to the present generation.
