West Dennis, Mass., Jan 29 1880

Capt. & Mrs. Chase

So, Dennis,

There is a numben coming up in the Barpe, after they come down with the mail, and if by any accident we should not get there just on the notch of the post go at first tell the minister to hold his wind for about three shakes of a cannon's tail, & we will be there.

Yours Truly,

John Baxter
West Dennis, Mass., Jan 29 1890

Capt & Mrs Chase
So Dennis

There is a number coming up in the Barge, after they come down with the mail, and if by any accident we Should not get there just on the notch of ½ past 8 O Clk just tell the minister to hold his wind for about three Shakes of a lambs tail, & we will be there
