We the subscribers certify that we have always understood that our father John Taylor had some woodland in South Dennis otherwise Croquet neck. We know nothing of his ever disposing of the same, we therefore believe he has not. We therefore consent & fully approve of the said John Taylor selling all or any woodland he may claim in said Dennis or Croquet neck so called we would further say that the said John Taylor never has been under Guardianship is not now nor is likely to be & but has in common with others the privilege of managing his own affairs.
